A woman's empathy is Ballotpedia's unique second, its purpose is to inform voters about the legislator's political ideology, voting record, and other relevant information. Ballotpedia's mission is to provide information on all 50 state legislators in every media. For example, a woman's empathy could be used to measure a legislator's voting record on issues where a woman's empathy is relevant and may evaluate the voting record for a woman's empathy.

Ballotpedia's mission is to provide information on all 50 state legislators in every media. Some states have a limited number of available endorsements, so we are prioritizing endorsements by state legislators. Ballotpedia's 50 state coverage of available endorsements regardless of ideology or women's empathy.
