IL State Rep. Lamont Robinson (D-5)

IL State Rep. Sonya M. Harper (D-6)

CTU is supporting members of the Illinois state legislature who have supported us. State Representatives [Lamont Robinson](#) (D-5) and [Sonya Harper](#) (D-6) are two of those supporters. Both have supported laws to restore the CTU’s bargaining rights and to create an elected school board in Chicago, and they’ve also been proponents of increased funding for CPS schools.

We’ll be out Saturday, February 26th, circulating petitions to get them on the ballot in this year’s election.

Join us at the cafe from 12–1pm. If you can’t make that time, [email Martin Ritter](#) and we’ll come to you between 1 and 3pm.

This action is not currently available.
