Reason for imposing sanctions

Member of the board of directors of a company that is under US sanctions. The sanctions are in response to Russia's deliberate and unprovoked invasion of Ukraine. These far-reaching sanctions target a wide range of Russian defense industries, including those that develop and manufacture fighter jets, infantry fighting vehicles, electronic warfare systems, missiles, and drones for the Russian military. The sanctions strike at the core of Putin's war machine. Senior executive in a Russian military-industrial complex company that oversees the research and development of military technologies and owns several production facilities that play an important role in deploying these technologies at work, in particular in combat operations on the territory of Ukraine. Thus, a person is responsible for supporting actions that undermine or threaten the territorial integrity, sovereignty and independence of Ukraine.
