Scorecards See also: State legislative scorecards and State legislative scorecards in New Jersey

A scorecard evaluates a legislator's voting record. Its purpose is to inform voters about the legislator's political positions. Because scorecards have varying purposes and methodologies, each report should be considered on its own merits. For example, an advocacy group's scorecard may assess a legislator's voting record on one issue while a state

newspaper's scorecard may evaluate the voting record in its entirety.

available scorecards regardless of ideology or number. Click here for an overview of legislative scorecards in all 50 states. To contribute to the list of New Jersey scorecards, email suggestions to editor@ballotpedia.org @.

Ballotpedia is in the process of developing an encyclopedic list of published scorecards. Some states have a limited number of available scorecards or scorecards produced only by select groups. It is Ballotpedia's goal to incorporate all
