 Excerpt: "I have been a tireless advocate for Federal Way Public Schools since my children entered kindergarten but I also recognize that families should have choices to find the best educational solution to fulfill their children's educational goals. I will continue to tirelessly advocate for our schools and ensure that our state makes education its 'paramount duty' as required by our State's Constitution."

Hickel's campaign website highlighted the following issues:[2]

### Jobs and Economy Excerpt: "I will do everything I can to support policies that promote job creation and wage growth.

**Public Safety** 

Education

 Excerpt: "A well-respected police department that models the diversity and character of the community is critical to serving that community. People of all ethnic backgrounds must have a sense of confidence that their police and firefighters will always act in the best interest of public safety and the citizens that they serve. At the same time, those who commit crime need to be held immediately accountable. The

to punish businesses but to help businesses start, grow and thrive."

### sure punishment. In addition, the entire judicial system must work efficiently and fairly toward that goal of protecting and helping victims while holding criminals accountable for the harm that they have caused."

Transportation Excerpt: "As your state representative I will do all that I can to ensure that we receive the funds necessary to reduce gridlock in our area and improve the overall infrastructure of our roads, bridges and public transportation."

Excerpt: "I will work for sensible reform that brings competition and transparency to the healthcare

system so that consumers can make more intelligent decisions regarding their healthcare and the cost

Businesses require certainty in order to expand. Government regulation and tax policies should not exist

victims of crime need to feel secure in the fact that the criminal who harmed them has received swift and
