Congressional delegate (1993-2003); authored major pieces of legislation for Guam.

delegate doesn't have a vote, what is your strategy for pushing Guam's issues forward in Congress?

If elected, what will be your priority in Congress? Given that Guam's

Of my top priorities in Congress, I will restore the integrity and trust in the Guam delegate's office by communicating openly with the people of Guam and building a consensus about the issues confronting us in Washington, D.C., recovering from the pandemic, and getting Guam back to work.

I will develop a Guam-centric pandemic relief package in the new year

which will focus on how to get funds easily to those who need it the most, the creation of jobs and retraining funds due to the changed nature of the economy.

local buildup. We will establish clear benchmarks for monitoring the success of local companies and worker participation in the buildup. We will reinvigorate the visitor industry through the creation of a single

We will partner with the military to ensure that the military buildup is also a
